<p>Directions: Using the choices below, make the best match based on the descriptions in each box. Note that the first match already has been made for you. Since each choice only can be used once, cross out each word after it has been used.</p> <p>Dog Kitten</p> <p>Cat No pet Puppy</p> <p>Purebred dog Foster</p>	<p>1. Person or family who wants a pet, but doesn't have a lot of spare time and have many breakable items in home.
