

The Special Surprise

One morning as the sun was rising I heard a loud knock at the door. I put on my red shirt and blue pants then went to the door. A little, brown puppy was lying on the first step. I was so surprised I began to laugh and cry.

I picked the brown puppy up, and carried him into the dark living room. Then I carried the puppy into my room and put him on my bed. The puppy began to play with my light brown hands. Mom called to eat breakfast the puppy followed me into the beautiful, white kitchen.

Mom asked me how did I get the little baby puppy. After I told her all about how I got a cute little puppy, she said I could keep him. In conclusion, that was the best surprise I ever had and I felt great.
