

**there are many  
interesting places to  
visit in north carolina  
in the summer many  
people like to go to the  
beaches to swim at the  
aquarium you can see  
sharks and squids you  
can see polar bears  
and elephants at the  
zoo you can also go  
camping in the  
mountains north  
carolina is a great  
place to visit**
