

LEARN NC

Teach an online course, hassle-free.

ONLINE TEACHING MADE EASY

Offering online courses provides many learning opportunities, but it also leads to a lot of questions. Which platform should you use? How do you set it up? Who enrolls the students? How long will it take to learn the technology?

LEARN NC takes the headaches out of online teaching. We train your teachers. We host your course on our server. We enroll your students. We provide live technical support. All you have to do is teach.

COURSES FOR NORTH CAROLINA

LEARN NC is the statewide provider of the Moodle learning management system. All public schools in North Carolina can offer online courses on LEARN NC's Moodle platform after their teachers complete our online Moodle Training course.

COST

Moodle Training costs \$150 per teacher. After that, there are no other costs, ever.

WHAT'S INCLUDED

- Rigorous training in the Moodle learning management system.
- Live help desk support six days per week.
- Course hosting on the LEARN NC Moodle server
- The LEARN NC registrar will enroll your students for you.

HOW TO SIGN UP

Teachers must first register for LEARN NC Moodle Training. For a training description and a list of start dates, please visit <http://tinyurl.com/moodletraining>. After completing Moodle Training, teachers can contact the registrar to request a blank course shell, or a copy of a shared LEARN NC course.

SHARE A COURSE

Help yourself to LEARN NC's library of shared online courses:
