

Is this speaker bilingual or not?

You will hear a bit of speech from eight speakers. Some of these speakers speak both Spanish and English; other speakers speak only English. Your job is to try and figure out which speakers speak only English (monolingual) and which speakers speak Spanish and English (bilingual). You will hear each voice repeated twice. Circle the response that you believe to be correct.

Speaker #1      Speaks English only                      Speaks English and Spanish

Speaker #2      Speaks English only                      Speaks English and Spanish

Speaker #3      Speaks English only                      Speaks English and Spanish

Speaker #4      Speaks English only                      Speaks English and Spanish

Speaker #5      Speaks English only                      Speaks English and Spanish

Speaker #6      Speaks English only                      Speaks English and Spanish

Speaker #7      Speaks English only                      Speaks English and Spanish

Speaker #8      Speaks English only                      Speaks English and Spanish

## Answer Key

Speaker #1: Speaks English only

Speaker #2: Speaks English and Spanish

Speaker #3: Speaks English only

Speaker #4: Speaks English and Spanish

Speaker #5: Speaks English only

Speaker #6: Speaks English only

Speaker #7: Speaks English and Spanish
