Birds of a Feather - Language Arts Wing

Assessment: produce and present an original fable that includes dialect and personification

Scoring Rubric

Level 4- Superior Performance
Using writing skills that displayed thoughtful and thorough content, students produced and presented a fable rich in dialect and personification.

Level 3 - Proficient Performance
Using writing skills that displayed clear and complete ideas, students produced and presented a fable with an effective amount of dialect and personification.

Level 2 - Adequate Performance
Using writing skills that only displayed a superficial understanding, the students produced and presented a fable with only a minimal amount of dialect and personification.

Level 1 - Limited Performance
Using a minimal grasp of writing skills that may have displayed unconnected ideas, students produced and presented a fable that only included a bare minimum of dialect or personification.
